“Power up with breakfast”

Eat breakfast at school to boost your brain and body power!” We all recognize that hungry children cannot learn, the first step is ensuring that all Students begin the school day with a nutritious breakfast at home or at school.

The School Breakfast Program helps to make sure all our students start the school day alert, well-fed and ready to learn. The School Breakfast Program is available to all students every school day. Your child can attend every day or occasionally. These meals provide your child with one-fourth of their nutritional needs each day.

Breakfast times:
