September 10, 2020

Dear Thomaston Families:

Thomaston Public Schools is committed to serving high-quality meals and ensuring that our students have access to good nutrition. We know that a lot of families rely on school meals to provide food security or to help with the difficult task of keeping a schedule while students are distant learning at home.

During the duration of the hybrid model, Thomaston Food Services department will be handing out curbside meals free of charge. A parent or family member may pick up meals for each Thomaston child; they do not have to be present with you.

Starting on Wednesday, September 16, 2020, parents/guardians can visit Thomaston High School, between the hours of **11:00am to 1:00pm** to pick up three days' worth of food. The site will be set up as a "drive thru" location. Please enter Thomaston High School, drive to the back end of the building, stop at the curbside table, and then drive around the building to exit. Distant feeding will be distributed every Wednesday until further notice. A menu will be posted on the Thomaston Public Schools website.

If you have any questions regarding the emergency meal plan, please contact 203-879-8145 or at nmaxellon@thomastonschools.org.

Sincerely,

Nicole Maxellon, MS

Food Services Director
